

## Community Evangelical Free Church Media Opt-Out

We at Community Church would like to share photography and/or video recorded at our various ministry activities, events and programs in church-produced materials, including, but not limited to brochures, newsletters and other printed materials, on the church website, and church social media accounts. Accordingly, participation in church activities implies permission for publication of any media recorded, unless a signed "Media Opt-Out Form" is on file with the church office.

However, some persons may choose not to have their photos, or photos of their children, used and we respect their wishes. Therefore, we are providing this "Media Opt-Out Form" for individuals or families who prefer NOT to have photographs of themselves used by the church.
